

LOVE FOR GOD

Every human being was created to know God and to love Him, and we all have the spark of His love in our hearts. We must feed the flame of the love of God by praying to Him daily and by serving others. As this flame becomes bigger, it can be felt by all those who cross our path and its light can brighten their minds. When we are enkindled, we are like burning candles giving light.

“Verily, I supplicate God to enkindle in thy heart the fire of His love...”
